Each payment shall be accompanied by a brief report prepared by a representative of Conxxus showing the basis for the computation. If mailed, the fee shall be considered paid on the date it is postmarked.

SECTION 3: For purposes of the calculation of the service provider fee, "gross revenues" means all consideration of any kind or nature, including without limitation, cash, credits, property, and in-kind contributions received by Conxxus for the operation of a cable or video system to provide cable service or video service within the Village, including the following:

- (i) Recurring charges for cable service or video service.**

- (viii) Compensation received by Conxxus that is derived from the operation of Conxxus's network to provide cable service or video service with respect to commissions that are received by Conxxus as compensation for promotion or exhibition of any products or services on Conxxus's network, such as a "home shopping" or similar channel.
- (ix) In the case of a cable service or video service that is bundled or integrated functionally with other services, capabilities, or applications, the portion of Conxxus's revenue attributable to the other services, capabilities, or applications shall be included in gross revenue unless Conxxus can reasonably identify the division or exclusion of the revenue from its books and records that are kept in the regular course of business.

- (v) Any tax or fee of general applicability imposed upon the subscribers or the transaction by a Village, State, Federal, or any other governmental entity and collected by Conxxus and required to be remitted to such Village, State, Federal or other governmental entity, including sales and use taxes.**

- (vi) Security deposits collected from subscribers.
- (vii) Amounts paid by subscribers to "home shopping" or similar vendors for merchandise sold through any home shopping channel offered as part of the cable service or video service.

SECTION 5: Revenue of an affiliate of a holder of Conxxus shall be included in the calculation of gross revenues to the extent the treatment of the revenue as revenue of the affiliate rather than Conxxus has the effect of evading the payment of the fee permitted by subsection (b) of 220 ILCS 5/21-801 which would otherwise be paid by Conxxus.

SECTION 6: If any section, paragraph, subdivision, clause, sentence or provision of this ordinance shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, invalidate or nullify the remainder thereof, which shall continue in full force and effect.
