Description and Cost of Proposed Project, Including Expected Start and Completion Dates:

Attach Construction Plans or Drawings to this application

The undersigned owner hereby makes an application to construct, remodel, move or otherwise improve the above described lot or tract per the above description. Applicant agrees to make the improvement in compliance with the Cullom Zoning Code and Building Ordinances.

During the construction of the project requested in the application, in the event any person, company or other entity working on the project commits any damage to Village of Cullom personal or real property, the person, company or other entity. THE OWNER OF THE PROPERTY BEING WORKED ON shall be responsible for the cost to repair said property damage, and shall immediately pay to the Village the cost for said repairs upon the Village's demand for same. In the event said damages are not paid to the Village of Cullom within 7 days of said demand, then the Village shall be entitled to shut off or suspend the water service and garbage service for the property upon which this permit is being applied for.
